Description

BEATRICE HUNTINGTON (1889 - 1988)
Lady with a Parasol

Circa 1920 ·
Watercolour on paper

Sight size 23 x 32.5 cm
Monogrammed lower right, indistinct
Framed and glazed

Although the monogram is indistinct, this decorative illustration is almost certainly by Beatrice Huntington and it is likely that she explored the possibility of finding work as an illustrator. The stylised treatment of trees and birds here shows a strong Art Deco influence, taking reference from contemporary textile and ceramic design.
